Dialing In (Beginning a Conference)

1. Each party dials one of your access numbers from any touchtone phone. Callers outside the US and Canada should dial the toll number.
2. At the prompt, dial the appropriate entry then hit the **#** key. The chairperson does not have to be the first to dial in.

Chairperson's Commands

- * 2 Line Count (play the line count)
- * 3 Exit Conference
- * 4 Help
- * 5 Listen only mode
- * 6 Mute/Unmute your own line
- * 7 Lock/Unlock the conference entrance
- * 8 Entry/Exit tone on or off

Participant's Commands

The chairperson may wish to inform participants of the availability of the following participant commands:

- * 2 Line Count (play the line count)
- * 3 Exit Conference
- * 4 Help
- * 6 Mute/Unmute your own line
